

STATEMENT OF PURPOSE

1. Introduction with Educational Background

I am **[Full Name of Student]**. I was born to my parents **[Father's Full Name] (Father)** and **[Mother's Full Name] (Mother)** on **[Date of Birth]**. My passport number is **[Passport Number]**. My permanent address is **[Full Permanent Address including Ward, Municipality, District, Province, Country]**. I recently completed my **[High School / Bachelor's / Previous Qualification]** from **[Name of School/College]** in **[Year of Completion]**, securing **[GPA/Percentage]**. Prior to that, I completed my **[Grade 10 / SLC / Previous Level]** from **[Name of Previous Institution]** in **[Year]**, obtaining **[GPA/Percentage]**. After the completion of my studies, I appeared for the **[IELTS/PTE/TOEFL/Duolingo]** examination on **[Date of Test]**, securing an overall score of **[Overall Band Score]** (L: **[Listening]**, R: **[Reading]**, W: **[Writing]**, S: **[Speaking]**).

It has always been my goal to gain an international degree from a foreign university to develop myself for the competitive global market and contribute to a developing nation like ours. With this aspiration in mind, I have worked hard from the very beginning to build a strong educational foundation that aligns with my future ambitions.

2. Financial Capacity

To support my studies in **[Country of Study]**, I am fully backed by my **[parents/sponsor relationship]**, who are committed to covering all my educational and living expenses during my stay. They will be responsible for my tuition fees, accommodation, travel costs, and other daily expenses, allowing me to focus entirely on my academic progress without any financial stress.

My **[parents/sponsors]** have a strong and stable financial background, with a total annual income of **[Currency and Amount, e.g., NPR XXXXXXXX]**. This income is generated from multiple reliable sources, including my **[father's source of income, e.g., business/salary/agriculture/share market] ([Amount])** and my **[mother's source of income] ([Amount])**. These diversified income streams clearly demonstrate their financial stability and consistent earning capacity.

In addition to their regular income, my **[parent/sponsor]** has secured an education loan of **[Amount]** from **[Name of Bank]**, specifically to support my higher education abroad. Furthermore, my **[parent/sponsor]** has maintained substantial savings, including **[Amount]** at **[Bank Name 1]** and **[Amount]** at **[Bank Name 2]**. These funds are readily available to meet my financial requirements.

My **[parents/sponsors]** are fully aware of the cost of studying and living in **[Country]**, and they have carefully planned and arranged sufficient financial resources to support me throughout my academic journey. All relevant financial documents, including proof of income, bank statements,

and loan documents, have been provided to validate this information. With this strong financial backing, I am confident in my ability to complete my studies in **[Country]** without any financial burden.

3. Why Not [Home Country] and Other Countries?

I firmly believe that education is now a necessity for every human being. The world has become increasingly competitive, and quality education is essential to thrive in it. When I conducted research about the education system in **[Home Country]** for my higher studies, I realized that **[Home Country]** is still developing in the field of higher education. The exact course I wish to pursue, i.e., **[Name of Desired Course]**, is either not available or not offered with sufficient quality in **[Home Country]**.

The only options available for me to continue similar studies are **[List 2–3 related courses available locally]** at institutions such as **[Name of Local University/College 1 with website]**, **[Name of Local University/College 2 with website]**, and **[Name of Local University/College 3 with website]**. However, these institutions face limitations such as outdated curricula, lack of practical exposure, inadequate laboratory and library facilities, and minimal alignment with the international job market. As a result, it is quite challenging to obtain the necessary skills and globally recognized knowledge while studying here.

Considering these limitations, I decided to pursue an international education. I explored several leading study destinations including the **USA, Canada, UK, and [Chosen Country]**. During my research, I found that the **USA** is comparatively expensive in terms of tuition fees and living costs. **Canada**, on the other hand, currently has a lower visa approval ratio, which reduces the chances of a successful application. After thorough research and consultation with education experts, I concluded that **[Chosen Country]** offers the best combination of quality education, affordability, and career opportunities for my academic and professional goals.

4. Why [Chosen Country]?

[Chosen Country] is one of the leading destinations for international students due to its high-quality education system, global recognition, and strong emphasis on practical learning. Institutions in **[Chosen Country]** are known for combining theoretical knowledge with hands-on experience, which is essential in today's competitive world. This approach will help me build the skills and confidence required in the field of **[Field of Study]**.

Another important reason for choosing **[Chosen Country]** is its safe, welcoming, and multicultural environment. The country respects diversity and provides a friendly atmosphere for students from all over the world. As an international student, I believe I will feel comfortable and well-supported while living and studying there.

[Chosen Country] also offers strong student support services, including health coverage, safety regulations, and student protection policies that ensure international students are well taken care of during their stay. Moreover, the [relevant Qualifications Framework, e.g., AQF for Australia, Bologna for Europe, etc.] ensures that all programs meet high academic standards and are internationally recognized, which will add great value to my degree.

Compared to other popular study destinations such as the USA and Canada, [Chosen Country] offers a more affordable cost of living and education while maintaining excellent academic standards. The climate and lifestyle are also relatively like my home country, making it easier for me to adapt. Furthermore, studying in [Chosen Country] will provide me with international exposure, improved communication skills, and a broader understanding of global education systems. After completing my studies, I plan to return to [Home Country] and apply the knowledge gained to contribute to the development of the [Field of Study] sector in my home country.

Overall, [Chosen Country] offers the ideal balance of quality education, safety, cultural diversity, and career development opportunities, making it the best choice for my higher education and future goals.
